

VISION

Our **vision** is an interactive outdoor festival for children and youth that celebrates diverse faith traditions and highlights community programs that enhance the spirits, minds, and bodies of young people.

MISSION

The **mission** of the Philadelphia Interfaith Children & Youth Festival (PICYF) is to host a multicultural community festival that educates youth about different faith traditions.

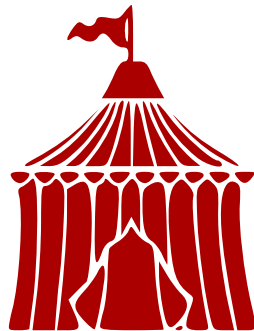

GOALS

The **goals** of the PICYF are to:

- Enhance understanding and respect for the faith traditions of others; and
- Provide a fun-filled experience for children and youth of all ages, backgrounds, faiths, and abilities

2012 THEME

The **theme** of the 2012 PICYF is: "R to the Third" which is shorthand for "reduce. reuse. recycle". It is our desire to educate and inspire those participating and attending the festival to take a look at their environmental impact and how they can better care for the world we have been given. In order to achieve this, we are dedicating our festival to the celebration of environmental work that is taking place and highlighting ways in which we can all join.
