

# PEACE DAY PHILLY

## *My Pledge for Peace*

I believe I am a powerful peace builder through my actions, my words and my thoughts.

I believe that we must, and we can, build understanding, respect and peace in the world around us everyday.

I believe that through better listening we will have better understanding.

I reject violence and work to build peaceful solutions in my home, school and community.

I reject bullying and discrimination, and stand in support of anyone being bullied.

I understand that non-violence is a positive, active principle and practice and that it is not just the absence of violence.

I believe we must see and respect each other as brothers and sisters despite our different views, cultures, faiths or traditions.

I commit to treating others with the same respect that I deserve.

I commit, every day, to do my best to be a peace builder in my school, in my community, in my city and in my world.
