

Armed with the Arts Inc.

Peace Crane Project

Students, Community Groups, Families, and Individuals are Invited to Participate.

Here's how:

1. Find a square piece of paper. Any type of paper can work. Papers of lighter weight will fold more easily.
2. Fold your paper into an origami crane. Follow the folding instructions on our website, or visit [wikihow](http://www.wikihow.com) for more a more detailed how-to guide.
3. Write words and paint pictures of peace on your crane. Young children may be encouraged to simply color their crane, then add words of peace, practicing spelling and good penmanship. Older children and adults may want to write a poem or story to accompany their more elaborate artwork.
4. Find a home for your Peace Crane within your community, or let us help you find another group wanting to exchange cranes. Our goal is to place and exchange cranes on every continent and in every nation, in every school, home, community center, and place of business.
5. Send us a picture of your placed Peace Crane. We'll add you to our map.

Please let us know you are participating!
