

**U. N. INTERNATIONAL DAY OF PEACE  
SEPTEMBER 21**

## **WHAT CAN YOU DO? ENVIRONMENT**

Organize a neighborhood clean-up or beautification project.

Learn about Roots and Shoots and consider creating a Roots & Shoots group in your school, after school program or community - Go to [www.rootsandshoots.org](http://www.rootsandshoots.org).

Join people across the world making and flying Peace Doves – consider doing so with a different school or community to further unity. For small doves:  
<http://bit.ly/1GTy6Nx>.

Organize a fundraising activity to help an environmental cause locally or across the world.

Create or contribute to a Peace Garden / urban garden in your community.

Create art, a slideshow or video about an environmental issue important to you.

Take time to research environmental issues either locally and/or somewhere else in the world.

Volunteer for an environmental or animal welfare organization.

Share short videos related to the environment and discuss.

Learn more about climate change: [www.350.org](http://www.350.org) & [www.unep.org/climatechange](http://www.unep.org/climatechange) .

Learn more about Nuclear Weapons and their risk to the planet and people:  
<http://bit.ly/1CWcsQY>.

Learn more about issues of accessing clean water globally: [www.water.org](http://www.water.org) & [www.pumpaid.org](http://www.pumpaid.org).

Paint and plant rocks for peace - for instructions go to: <http://bit.ly/1HA6R9L>.

Host a composting or recycling workshop at your school or organization

Create artwork – a mural, group collage, mosaic, etc. – about an environmental issue and make it a visible part of your school, organization or community.

Write and illustrate a Peace Pledge related to caring for the planet.
