Here are some suggestions for youth peace activities, though you are encouraged to create your own that reflect the vision and hopes for your community! Peace Day Philly activities begin on September 14 and end on Peace Day itself, September 21.

- Get involved in helping the environment through Roots and Shoots [https://www.rootsandshoots.org/](https://www.rootsandshoots.org/).

- Organize an intergenerational dialogue, in person or on-line, where mixed age small groups discuss the best ways to keep neighborhoods peaceful and safe.

- Organize basketball games with youth and police officers. If possible, follow that with a short discussion on youth/police relations.

- Hold a school workshop or on-line session to build skills for decreasing bullying and racial/cultural intolerance.

- Do Chalk 4 Peace and/or peace crafts with kids in your home or community, and tweet photos of their artwork. Go to [http://bit.ly/R7hzOQ](http://bit.ly/R7hzOQ) for this and more art ideas.

- Create a talent show, concert or other even to raise money for a local, national or international peace cause.

- Write a peace pledge and display it in your space.

- Exchange peace cranes with kids across the world: [https://peacecraneproject.org/](https://peacecraneproject.org/).
