

***A Call To Action For All Faiths
& Practices in the Philadelphia Region***
U.N. International Day of Peace 2020

PEACE DAY PHILLY
www.peacedayphilly.org

Peace Day 2020 provides a powerful opportunity for you to join with the world community in whatever way is meaningful for your faith and its practices.

We invite you to

- 1) Focus your observances and activities anytime Friday 9/18 through Monday, 9/21 on **PEACE**
- 2) **“Shaping Peace Together”** is the 2020 United Nations Peace Day theme. Share how you are shaping peace in your faith community with the hashtags **#peace-dayphilly** and **#shapingpeace** beginning September 1.

Mosques, synagogues, churches, Quaker meeting houses and meditation centers across the Philadelphia region are also encouraged to open their doors to other faiths sometime over the course of the weekend. People and groups from different faith traditions may share messages of peace for each other and for the world. They are also welcome to share a “Global Feast for Peace” - a simple gathering around food and interfaith dialogue.

We invite every citizen, wherever they may be, to unite with the world community by observing a minute of silence at noon on Monday, September 21 (a global activity in all timezones).

Through these shared actions, we will be unified in our commitment to peace, regardless of our specific faith tradition, beliefs or practices.

Join with all faiths across the world to participate in the International Day of Peace, whatever your faith or tradition - Friday, Sept. 18 through Monday, Sept. 21.
