

**Jim Kenney, Mayor of Philadelphia:** “On this International Day of Peace, I urge Philadelphians to come together and reflect on what it truly means to be a city of Brotherly Love and Sisterly Affection. My hope is that this day of positivity inspires us to carry the spirit of peace and love with us at all times and showcase what it means to be a welcoming city for all.”

**This year's theme draws attention to the importance of combatting climate change as a way to protect and promote peace**
