

What Can You Do for PEACE In Your Classrooms?

The International Day of Peace is observed around the world on and around **September 21**, with many activities involving children and youth.

Join the global and local community by integrating peace activities in your school/classroom anytime **Sept. 18 - Sept. 25.**

You can choose whatever activities are **meaningful, manageable**, and that align with the goals of your school/classroom. Teachers who have participated say peace activities can be a great way to start the academic year.
