9th International Symposium **SUSTAINABLE DEVELOPMENT**

Sustainable Peace for a Shared Future

Join us in an international symposium to share knowledge, best practices, and passion with the world. Individuals, groups, and organizations will share how their work contributes to the SDGs.

Seminar Highlights

- ★ Discover new insights on Peace + Sustainability
- ★ Cross-sector Collaboration to exchange knowledge, practices, and ideas
- ★ Help support Global Health Initiatives

**Saturday
September 19, 2026**

🕒 4:00 PM – 7:00 PM PST

📍 Virtual

Distinguished Speaker

Dr. Christiaan Morssink
Interim President of UNA-GP

Join us to hear from Dr. Morssink on "Linking culture and structure: Adding time and environment – A commentary"

"Making Peace with Mother Earth, a matter of collective survival. Science should not only be ignored, but more importantly, used as well to get back in her good graces."
